Piedmont and Liguria *uncovered*

HELLO!

We are Travel Designers!

Building tailor-made itineraries for our clients is our passion.

Our project begins in the regions of **Piedmont** and **Liguria**, areas with different identities **where the land and the sea complement each other.**

If you want to discover this incredible land from a new point of view, contact us.

We look forward to fulfilling your dreams.

Tailor-made

We combine food and wine with other activities in the area such as excursions, guided visits and places of interest, nature, sport or spa activities, overnight stays and much more.

During our wine tours, **you will gain access to the world's most renowned producers**, eat memorable meals, travel in comfortable cars, **immerse yourself in local culture**.

***WE TAILOR
YOUR JOURNEY***

Langhe

Along with your **Personal Guide and Sommelier**, you will taste noble declinations of Nebbiolo and visit selected wineries. This will allow you to learn about the **differences in terroirs and winemaking**.

Excellent food and wine will awaken your senses among the enchanting **Langhe** hills, that are today part of **UNESCO's World Heritage**.

Roero

The land of Roero is made up of a thousand shades, that are at the source of the **many mineral notes that characterise the Nebbiolo wine.**

Dive into a **wilder nature**, dotted with historic castles and authentic panoramic views.

GENOVESE

From the land

Deepen your knowledge of the world of wine through **personalized tasting meetings** with producers and visits to large and small wineries.

..to the sea

Take advantage of the proximity to Liguria for a 1 or 2 days trip to the **Italian Riviera**. Discover the bay of **Portofino** and the charming **Genoa**. If you'd like to explore the bay on your own, we can provide you with a **small rental boat**.

A person wearing a white chef's coat and a metal mesh watch is holding a white plate with spaghetti. The background is a dark red wall with some peeling paint and faint numbers. A semi-transparent grey rectangle with an orange line is overlaid on the image.
